- Develop a course of action including a budget, events, advertisement, and social media strategies

National Voting Registration Campaign

RAZE Leaders 2.0

San Luis, AZ

August 2024- September 2024

- Developing a campaign to raise awareness about the importance of registering to vote and the importance of participating in local, state, and national elections.
- Creating a budget for the creation, distribution, and events involving the campaign
- Outreach, advertising, informing, and educating youth about civil engagement

JOB EXPERIENCE

Canvasser

Rural Arizona Engagement (RAZE) & Rural Arizona Action (RAZA)

Yuma, AZ

July 2026 – August 2026

- Conduct door-to-door outreach to educate community members on civic engagement, voter registration, and election participation.
- Engage with diverse voters by answering questions, addressing concerns, and providing accurate information on issues affecting rural Arizona communities.
- Register eligible voters and assist individuals in understanding the voting process and election requirements.
- Demonstrate strong communication, bilingual (English/Spanish), and interpersonal skills while working with residents from diverse backgrounds.

AI Trainer (Project Hedgehog)

Handshake AI (Remote)

December 2025– January 2026

- Evaluated and improved AI-generated responses for accuracy, clarity, and quality.
- Identified errors, inconsistencies, and areas for improvement while providing detailed feedback.
- Applied critical thinking and problem-solving skills to ensure high-quality AI outputs.
- Maintained accuracy and attention to detail while meeting productivity and quality standards.
- Collaborated within project guidelines and adapted to evolving AI training requirements.
